My Dear Fellow Members,  
Season's Greetings to you & your family members.

I am happy to revive the communication thread once again through the official mouth piece of IAP ID chapter. Earlier in 2010-11, I communicated in the capacity of Honorary secretary and now in 2013 as Chairperson of the chapter. With the change in the role the responsibilities also have increased and it will be my sincere endeavour to meet the expectations of the members.

The action plan 2013 has a successful kick start with launch of ambitious project of "Paediatric Infectious Diseases Fellowship." On 26th July we had all India entrance test conducted at two exam centres - Bangalore and Surat. Out of total 11 applicants 6 candidates have been successful to get selected. The fellowship has commenced from 20th July, 2013.

This year we are coming out with two academic publications- a book titled "FAQ in PID" and "Interesting cases in PID". The editorial teams of both the books are on toes and I am sure that they will be ready for publication by year end.

We had three regional CMEs at- Kanha, Coimbtore and Shimla and will have two more at Sangli and Patna. The national CME at Rajkot was a huge success and we put on record the efforts of organizing team.

On administrative front we are coming out with a new member's directory. I request all the member's to co-opreat for it.

Post diwali two mega events are waiting for you - 1st National Congress on Vaccine Preventable Diseases, Ahmedabad and the annual conference of chapter- NCPID at Vijaywada. Please participate in both events in large number.

Friends all these activities are for you and I wish to have your cooperation, guidance and support for the activities of ID chapter.

With warm regards.

In the service of chapter.

**Dr. Digant D. Shastri**  
Chairperson, ID Chapter, 2013

Respected seniors and dear friends,  
Greetings from Infectious Diseases chapter of Indian Academy of Pediatrics.

It has always been an endeavor of ID chapter and IAP to update the skill and knowledge of its members by various scientific programmes and publications. National CME at Rajkot was a huge success. Phenomenal success of regional CMEs at different zones of India, speaks volumes of the selfless efforts put by the respective organizing team. Hearty congratulations to Dr. Digant Shastri and his team for successful implementation of action plan 2013. We shall shortly come out with new publications, Dengue protocol and revised protocol on enteric fever. Journal of PID is very popular and has occupied a prime place on our desk. Fellowship in the Infectious Diseases is a new feather in the crown of the chapter. This will provide an ample opportunity for the fellows to have an insight in the vast subject of childhood infections.

Number of scientific events are palnned for the rest of the year as described elsewhere in this bulletin. This year we have decided to invite scientific award papers from post graduate students and Fellows of Pediatrics, to be presented during next NCPID at Vijaywada. "First National conference on Vaccine preventable diseases" at Ahmedabad will be a *conference with a difference*, as far as the scientific agenda is considered.

ID Chapter is coming out with members' directory. We request you to download the proforma for the same from our website www.iapidc.org and send it back at the earliest

Let us strengthen our organization by enrolling large number of members every year. We would like to reach to the most remote place through this bulletin.

Wish you all a great academic year with enjoyable learning..

Thanking you.

**Dr. Abhay K. Shah**  
Hon. Secretary, ID Chapter, 2013

## 11th National CME of IAP - ID Chapter at Rajkot

Inauguration function

Glimpses of scientific deliberation.

Dr. Tapan Kr. Ghosh oration award

Valedictory function

The 11th NATIONAL CME of IAP-ID chapter was jointly organized by Academy of Pediatrics, Rajkot and IAP-ID chapter and hosted by AOP-RAJKOT on 8-9th June 2013 at an excellent venue of V. V. P. engineering college auditorium.

The CME was attended by more than 450 delegates pouring in from length and breadth of country.

The two day long CME addressed not only the core issues in pediatric infectious diseases, but also discussed the current scenarios and highlighted the recent advances in it. Dr. Tapankumar Ghosh Oration on "Perpetual challenges in infectious diseases", delivered by Dr. Raju.C. Shah kicked the thought process in right direction.

The star-studded galaxy of faculties included the stalwarts like Dr. Y. K. Amdekar, Dr. Raju. C. Shah, Dr. Vijay Yewle, Dr. S. Kamath, Dr. Rohit Aggrawal, Dr. A. J. Chitkara, Dr. Ashok Kapse, Dr. Ashok Rai, experienced teachers like Dr. Baldev Prajapati, Dr. Balasubramanian, Dr. Ritabrata Kundu, Dr. Pramod Jog, Dr. Nirmal Choraria, Dr. H. J. Takwani, Dr. Abhay Shah, Dr. Satish Pandya, Dr. Vasant Khalatkar young and dynamic aspirants like Dr. Digant Shashtri, Dr. Nitin Shah, Dr. Jaydeep Choudhary, Dr. Madhavi Majethy, Dr. Neelam Mohan, Dr. Kheya Ghosh, Dr. Tanu Singhal, Dr. Rakesh Sharma.

SONE PE SUHAAGA was the excellent food served, the extravagant banquet and the dance and musical program tantalizing the audience.

All in all, this memorable event was the result of six months long painstaking and pause less efforts of ID chapter office bearers like Dr. Digant Shastri, Dr. Abhay Shah and AOP - Rajkot members under able leadership of Dr. Yagnesh Popat, Dr. Mehul Mitra, Dr. Dhananjay Shah, Dr. Jay Dhirwani, Dr. Jayesh Sonvani, Dr. Samir Thakrar, Dr. Nayan Kalawadia, Dr. Anil Trambadia, Dr. D. Upadhyay and Dr. Nilesh Ramani.

## Regional CME at Shimla
